

# U.S. Small Cap Growth Profile

## OVERVIEW

TimesSquare Capital Management, LLC (TimesSquare) offers a U.S. small cap growth strategy primarily for institutional investors, managed by a tightly knit team of experienced professionals with a time-tested, successful strategy for identifying quality growth companies.

## PHILOSOPHY

TimesSquare believes that its proprietary fundamental small cap research skills, which place a particular emphasis on the assessment of management quality and an in-depth understanding of sustainable growth business models, enable it to build a diversified portfolio of small cap growth stocks that will generate competitive returns.

## OBJECTIVE

To outperform the Russell 2000® Growth Index in a risk-controlled manner.

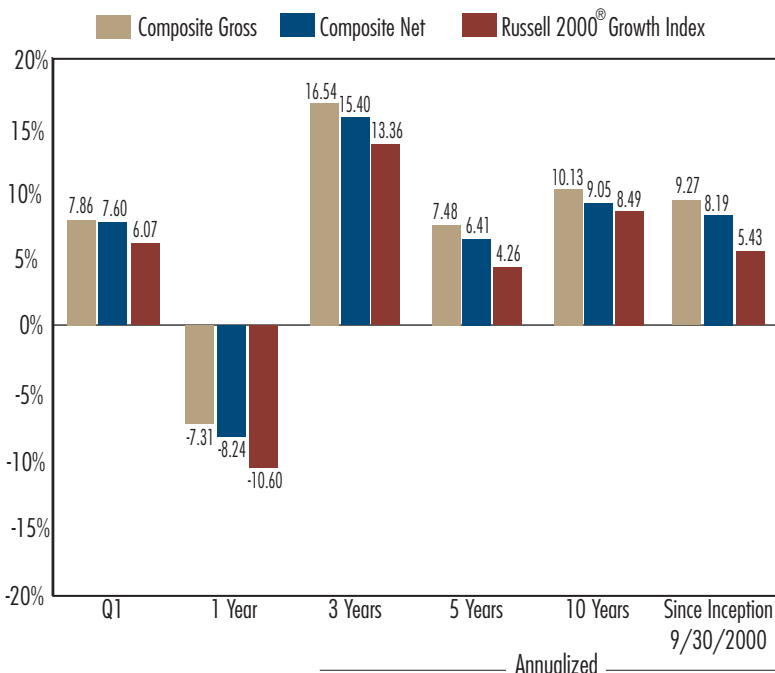

## STRATEGY

The team uses a unique bottom up, fundamental research-intensive approach to identify small cap growth stocks which we believe have the greatest potential to achieve 25%-50% price appreciation over a long-term horizon. TimesSquare invests in companies with market capitalizations between \$10 million and \$5 billion at time of purchase. Investment ideas are primarily internally generated and confirmed through traditional financial analysis, company visits, and management assessments.

## ASSETS UNDER MANAGEMENT

As of 03/31/23, TimesSquare managed \$2.1 billion in U.S. small cap growth assets.

## PERFORMANCE As of 03/31/23

### Purchase Criteria for Quality Growth Companies

Primary and Supporting Requirements:

- **Quality management**
  - Alignment of interests with shareholders
  - Experience and integrity
  - Meaningful proportion of net worth tied to company
- **Distinct, sustainable competitive advantage**
  - Proprietary products and services
  - Demonstrated franchise value
  - High barriers to entry
  - Relatively few competitors
- **Strong, consistent growth**
  - Both top line and bottom line
  - Strong probability of retaining or widening margins
  - High proportion of recurring revenues
  - Sales to many customers in multiple markets

### Valuation Criteria

- Current p/e at a discount to absolute earnings growth
- Attractive p/e relative to industry group

### Risk Management Through Portfolio Construction

- Average of 100 stocks in a diversified portfolio
- Maximum 5% per issue; maximum 2x the index weight for major industries
- Strict sell discipline - loss of confidence in management, deterioration in fundamentals, operating objectives not met, reason for purchase no longer exists, overvaluation, displacement by better idea

### Important Disclosure Regarding Past Performance Information

TimesSquare Capital Management, LLC ("TimesSquare") is a registered investment adviser that is owned by the former equity management team of TimesSquare Capital Management, Inc. ("TimesSquare Inc.") and Affiliated Managers Group, Inc. TimesSquare was formed to manage TimesSquare Inc.'s growth equity investment advisory business which was sold to TimesSquare in a transaction that closed on November 19, 2004. There has been no change in investment strategy from the prior firm. From October 1, 2000 to October 31, 2004, the performance represents that of the TimesSquare Inc. small cap composite. From November 1, 2004, the performance represents that of the TimesSquare small cap composite. The TimesSquare composite consists of all discretionary small cap accounts managed by the team at TimesSquare and TimesSquare Inc. with market values greater than \$5 million and investments consistent with the composite definition.

Variations in performance can be attributed to a number of factors, including, but not limited to, cash flows, timing of purchases and sales of portfolio securities, and investment restrictions imposed by account holders. There can be no assurance that the future performance of an individual account will be the same as the performance of any other account, including those represented in the historical record we present.

The performance figures shown reflect the reinvestment of dividends and other earnings, and the deduction of brokerage commissions and other transaction costs.

Performance is provided on a gross basis as well as net of the highest management of 1.00% charged by TimesSquare to separately managed institutional accounts in this composite. Investment advisory fees generally charged by TimesSquare are described in Part 2A of its Form ADV. This composite may contain some accounts that have used performance based fees.

Performance is measured against the Russell 2000® Growth – a market capitalization-weighted index that measures the performance of those Russell 2000® companies with higher price-to-book ratios and higher forecasted growth rates.
