\*The representative portfolio is an account that reflects the current management style for this strategy. Performance is not a consideration in the selection of the representative portfolio. The characteristics of the representative portfolio may differ from those of other managed accounts and from those of a start-up portfolio. The characteristics relate to the portfolio as of a particular point in time and should not be regarded as predictive.

## Disclosures

*TimesSquare Capital Management, LLC ("TimesSquare") is an investment adviser registered with the U.S. Securities and Exchange Commission and is majority owned by Affiliated Managers Group, Inc.*

*TimesSquare Capital Management, LLC ("TimesSquare") is a registered investment adviser that is owned by the former equity management team of TimesSquare Capital Management, Inc. ("TimesSquare Inc.") and Affiliated Managers Group, Inc. TimesSquare was formed to manage TimesSquare Inc.'s growth equity investment advisory business which was sold to TimesSquare in a transaction that closed on November 19, 2004. This composite generally invests in stocks with market capitalizations at time of purchase generally within the range of capitalizations of stocks in the MSCI World Small Cap (Net) Index. There has been no change in the investment management responsibility or strategy from the prior firm.*

*Variations in performance can be attributed to a number of factors, including, but not limited to, cash flows, timing of purchases and sales of portfolio securities, and investment restrictions imposed by account holders. There can be no assurance that the future performance of an individual account will be the same as the performance of any other account, including those represented in the historical record we present.*

*The performance figures shown are calculated in U.S. dollars on a size-weighted basis and reflect the reinvestment of dividends and other earnings, and the deduction of brokerage commissions and other transaction costs. Performance is provided on a gross basis (before the deduction of management fees) as well as net of the highest fee level from the standard fee schedule listed for this strategy during the period presented. Actual fees may vary depending on, among other things, the applicable fee schedule and portfolio size. TimesSquare's fee schedule is available upon request and may also be found in Part 2A of our Form ADV.*

*Performance is measured against the MSCI World Small Cap (Net) Index. MSCI World Small Cap (Net) Index is a trade or service mark of MSCI Inc. The MSCI World Small Cap (Net) Index is an unmanaged, market-weighted index of small companies in developed markets. Its returns include net reinvested dividends but, unlike the Composite returns shown, do not reflect the payment of sales commissions or other expenses incurred in the purchase or sale of the securities included in the Index. All indexes, including the MSCI World Small Cap (Net) Index, are based on gross-of-fee returns, including net reinvested dividends.*

*The opinions and information expressed and provided are for general information only and are not intended to provide specific advice or recommendations but rather, a basis from which strategies can be built, taking into account the specific objectives of each portfolio, in terms of return, time horizon, and risk constraints, as well as diverging investment perspectives and assumptions. All material has been obtained from sources believed to be reliable, but its accuracy and completeness are not guaranteed.*

*The performance information represented herein is intended for use only by institutional and high-net-worth investors and is not for distribution to a wider audience.*
