*The representative portfolio is an account that reflects the current management style for this strategy. Performance is not a consideration in the selection of the representative portfolio. The characteristics of the representative portfolio may differ from those of other managed accounts and from those of a start-up portfolio. The characteristics relate to the portfolio as of a particular point in time and should not be regarded as predictive.

U.S. Mid Cap Growth Profile

- **Significant experience** managing Institutional and Intermediary portfolios supported by a robust infrastructure to seamlessly service our clients.
- **Partnership structure** aligning the economic interests of TimesSquare employees with our clients.

Disclosures

TimesSquare Capital Management, LLC ("TimesSquare") is an investment adviser registered with the U.S. Securities and Exchange Commission and is majority owned by Affiliated Managers Group, Inc.

TimesSquare Capital Management, LLC ("TimesSquare") is a registered investment adviser that is owned by the former equity management team of TimesSquare Capital Management, Inc. ("TimesSquare Inc.") and Affiliated Managers Group, Inc. TimesSquare was formed to manage TimesSquare Inc.'s growth equity investment advisory business which was sold to TimesSquare in a transaction that closed on November 19, 2004. From October 1, 2000, to November 18, 2004, the performance is that of the TimesSquare Inc. mid cap composite. From November 19, 2004, the performance is that of the TimesSquare mid cap composite which consists of all discretionary mid cap accounts managed by the team at TimesSquare and TimesSquare Inc. with market values greater than $5 million and investments consistent with the composite definition. There has been no change in the investment management responsibility or strategy from the prior firm.

Variations in performance can be attributed to a number of factors, including, but not limited to, cash flows, timing of purchases and sales of portfolio securities, and investment restrictions imposed by account holders. There can be no assurance that the future performance of an individual account will be the same as the performance of any other account, including those represented in the historical record we present.

The performance figures shown are calculated in U.S. dollars on a size-weighted basis and reflect the reinvestment of dividends and other earnings, and the deduction of brokerage commissions and other transaction costs. Performance is provided on a gross basis (before the deduction of management fees) as well as net of the highest fee level from the standard fee schedule listed for this strategy during the period presented Investment advisory fees generally charged by TimesSquare are described in Part 2A of its Form ADV. This composite may contain some accounts that have used performance-based fees.

Performance is measured against the Russell Midcap® Growth – a market capitalization-weighted index that measures the performance of those Russell Midcap® companies with higher price-to-book ratios and higher forecasted growth rates. Russell Investment Group is the source and owner of the Russell Index data contained herein and all trademarks and copyrights related thereto.

The opinions and information expressed and provided are for general information only and are not intended to provide specific advice or recommendations but rather, a basis from which strategies can be built, taking into account the specific objectives of each portfolio, in terms of return, time horizon, and risk constraints, as well as diverging investment perspectives and assumptions. All material has been obtained from sources believed to be reliable, but its accuracy and completeness are not guaranteed.

The performance information represented herein is intended for use only by institutional and high-net-worth investors and is not for distribution to a wider audience.
